TEAM MANAGER'S ROLE DESCRIPTION

The Team Manager is a central figure in creating the flow of communication – not only within the team (players, parents and coaches), but between the team and all support systems such as the Coaldale Minor Hockey Association (CMHA), Division Directors, other teams, referees, etc.

Ultimately, the Manager is responsible for ensuring all the off-ice tasks are completed. This does not mean that the Manager has to do it all; he or she needs to make sure that it gets done via delegation. Also, it should be noted that some coaches will take on some of the activities that the Manager is normally responsible for overseeing.

By taking on the operational aspects of the team, the Manager enables the coach to focus on player development and on-ice instruction to provide the players with rewarding hockey experiences. This manual provides information to aid Team Managers in the smooth operation of the team by discussing the need to delegate and by identifying key topics that the Team Manager will need to address. Numerous appendices including samples, templates and valuable links are included to assist the Team Manager in pre-planning and organization.

It is our goal to support you in whatever way we can. Please reach out to your divisional director or the CMHA administrator if you need any assistance throughout the season, or any other board member from the contact sheet. As phone numbers aren't listed, the best way to contact is via email..

Some general tips for the manager:

- There **MUST** be a good relationship with the Head Coach, as you will be working closely with them. This will make the season much easier to manage.
- The Team manager is a central figure in creating the flow of communication – not only within the team (players, parent & Coaches), but between the team and all support systems such as the Minor Hockey Association (MHA), Division Managers; other teams, referees, officials, etc.
- When you are communicating with your coaches or parents, Teamsnap is the best form of communication.

Section 1 – Initial Parent/Coach Meeting

1.1 - Initial Team meeting

Team Meetings are essential in the development of formal communication amongst a team and they encourage participation from all members. An initial meeting should be set up shortly following the formation of the team – for many, this will be the first time they meet other players, parents and coaches.

Ideally, the Team Manager should be in place before the initial team meeting, which should include agenda items: **(Appendix 1: Team Meeting Agenda)**

- ***Seasonal plans***
- ***Parent volunteer expectations***
- ***Coaches/player/parent conduct***
- ***Safety procedures***
- ***Tournaments***
- ***Preliminary budget.***

This helps to ensure that all parents understand the commitment, both time and financial (including tournaments), up-front and before the season commences.

A **Conflict Resolution** process should also be explained including the CMHA communication Flow Chart. CMHA requires a 24 hour “cooling off” period before contacting the appropriate person to discuss the parents' issues and concerns. **(Appendix 2: CMHA Communication Flow Chart)**

1.2 - Assigning a Treasurer

The next most important team volunteer besides the Head Coach and Team Manager is the Team Treasurer. This volunteer is responsible for tracking all team expenditures, as well as managing the team budget and bank account. As manager, it is your responsibility to provide oversight over the team finances, help guide financial decisions, and serve as a second signing authority on all transactions. It is helpful to choose a Treasurer who has a financial or accounting background and/or is familiar with Spreadsheets. **(Appendix 3: Team Treasurer Instructions)**

You and your Treasurer will be responsible for opening a team bank account at the Coaldale ATB Bank, which will require two signatures on all transactions (Manager and Treasurer).

You will require a letter from the Head Coach authorizing the Manager and Treasurer to open an account on behalf of the team and designating them as the two signing authorities. Most banks also

require a TEAM ROSTER. Be sure to inquire about NO FEES - for suggested Banks contact CMHA Treasurer.

Note:

- Most banks will require a team roster.
- All teams are to use the Coaldale ATB Bank.
(Appendix 3.1: Sample Budget/Team Roster)

1.3 - Team Accounts & Budget

When creating your team budget make sure to have:

- Cash Call Amounts
 - For U7/U9 - \$100 max per family
 - For U11/U13- \$125 max per family
 - For U15/U18- \$150 max per family
 - CASH CALL MUST BE REPAID TO PARENTS AFTER HOME TOURNAMENTS
 - NO EXCEPTIONS
- coach input (extra ice; power skating; other)
- team apparel; tournaments; social events **(Appendix 3.2: Sample Budget)**

You will need to keep a spreadsheet of all team finances for the season. In addition you need to report to the CMHA Treasurer throughout the season. **(Appendix 3.3- Team Financial Report Template)**

1.4 - Code of Conduct Forms

Make sure to have extra copies of any handouts or forms that need to be circulated to parents and players. All coaches, parents and players are required to sign “Parent and Player conduct forms”. **(Appendix 4: CMHA Code of Conduct) (Appendix 4.1-4.2: Player, Coach, Parent Conduct Forms)**

1.5 - Player Medical Information (In TeamSnap)

Medical forms were completed in and in Teamsnap. This information is confidential and kept by the team Safety Person/Head Coach. As the Team Manager you need to be familiar with the information on these forms.

CMHA will be using HeadCheck this season to track concussions for our players. **(Appendix 6: CMHA Safety Manual)**

[CMHA Safety Manual](#)

1.6 - Respect in Sports

ALL PARENTS, even those coaching that are not volunteering in a coaching role are required to complete the Respect in Sports - Parent (online course). One parent per registered child is required to complete this and it is valid for four seasons, and any renewal of this course **MUST** be completed by October 10th.

PLEASE NOTE: Volunteer coaches are required to complete their Respect in Sport - Leaders.

<https://hockeyalbertaparent.respectgroupinc.com/>

1.7 - TeamSnap

Team Snap is provided to all CMHA teams for **FREE and is MANDATORY to use**. The CMHA Administrator will send you an invitation to your team on TeamSnap, authorizing you to have Manager Permissions and access. You must accept the invite, then the CMHA Administrator will assign all parents/players to join the team on TeamSnap - this will require email addresses. Practices, and player contact information will already be loaded into TeamSnap. All games, exhibition games, team events will need to be uploaded into this application for easy team organization.

**Ensure that any games that are uploaded to TeamSnap are double checked by at least 2 individuals. Cross reference these with the game schedules and ice allocation. This will ensure no missed ice slots, which results in NO SHOW ice charges for the team.*

PLAYER AVAILABILITY

- It is important that coaches know how many players are available for games and practices. Emphasize to parents the importance of keeping their child's availability up to date

1.8 - Communication

COMMUNICATION WITH PARENTS

Keep parents up to date through email, Teamsnap or parent meetings as required:

- New games
- Tournament dates, locations and game times
- Schedule changes
- Off-ice events

CMHA PARENT COMMUNICATION FLOW CHART

If parents have complaints/issues they need to follow the "CMHA Parent Communication Flow" policy. Make sure the parents on your team are aware of this policy.

*The policy can be found on the CMHA website. (<https://www.coaldaleminorhockey.com/managers/>)

Section 2: Volunteers and Delegations

The most important thing the Team Manager can do is delegate – it is almost impossible for a Team Manager to do everything without help.

A strong parent base will make for a strong team. Most parents will be prepared to volunteer in some capacity; a good rule of thumb is that each family should take on at least one role.

2.1 - Parent Volunteer

Positions may include:

- Head Coach/Assistant Coaches
- Manager
- Treasurer
- Team Safety Person
- Fundraising Committee
- Jersey Parents
- Time Keeper Coordinator
- Tournament Coordinator
- Social Committee
- Team Snap Coordinator
- CAHL Data Entry Person
- New for U7 & U9 Divisions - Half Ice Board Set Up & Take Down crews

Once committees and areas of responsibility have been determined, the Team Manager should circulate a volunteer position list to all parents. This could help resolve disputes later in the season, and helps direct information and ideas to the proper party.

Section 3: TeamSnap

TeamSnap is the backbone of CMHA. Our website, registration and team management system all operate through our TeamSnap Organization Account. As part of this, all teams are provided a free TeamSnap Account through CMHA. Each team is required to utilize their CMHA supplied TeamSnap account, as this is how we communicate with teams and deliver schedules.

Once team selections are announced, your player will already be assigned to your TeamSnap roster. Your Division Director will send you a separate invite which provides you Manager permissions and access. Manager access provides you the ability to add events to the schedule, as well as add coaches and other team officials to the roster.

All player and parent contact information should already be there based on the information provided through registration, but let your parents know to add to their profiles any additional email addresses or family members they want to have access to the team schedules and communications. All team members should be encouraged to do the following so that they have access to the most up to date team information:

3.1 - Download the app

Make sure you and all your team members download the TeamSnap App if they haven't already. It is available for iOS on the App Store and Android devices through Google Play. *You can also download them* [Download TeamSnap Android & iOS Apps](#)

3.2 - Subscribe to Your TeamSnap Schedule

Easily add your TeamSnap schedule to your phone or desktop calendar application to ensure that no games or practices are missed. For information on *how to subscribe to your TeamSnap schedule* [CLICK Subscribe to a Team Schedule - TeamSnap Playbook](#)

All games, practices, and team events need to be uploaded into TeamSnap so your team has access to the information. Some managers prefer to assign a team volunteer to manage your team account, but ensure as the Team Manager that you retain manager access so you can modify any activities within Teamsnap.

*Ensure that any games/ tournaments/ team events that are uploaded to Teamsnap are double checked by at least two individuals. Cross reference these with the schedules posted on Hockey Edmonton and OneClickIce. This will ensure no double bookings or missed ice slots, which could result in NO SHOW ice charges for the team.

Once you have gained manager access to your account, you will have access to the following tabs:

3.3. “Roster” Tab

The *Roster* tab lists all team members and parent contact information. If you notice that any contact information is missing, reach out to that family and ask them to enter it through their own individual TeamSnap account.

By clicking on each individual player, you will see more detailed information including their medical information form. Please ensure that there is a medical form present for each player.

Add any team officials and be sure to designate their position. Also be sure to designate them as a “non-playing member of the team”. If you want to assign another team volunteer to manage TeamSnap, you can add them and provide them manager access to the team here as well.

3.4 - “Schedule” Tab

The *Schedule* tab is where you will add any practices, games or events to the schedule. For information on how to do this click [HERE](#). You will need to manually enter some team events.. (See Section 4 for more details.)

3.5 - “Availability” Tab

Be sure to recommend your team members update their availability before each game & practice. This is very helpful for coaches practice and game planning.

3.6 - “Tracking” Tab

Sometimes you just need to track who has completed tasks or provided required forms. This tab lets you keep track of things like who has turned in medical releases, who has paid cash calls, or any other yes/no type of item.

3.7 - “Media” Tab

TeamSnap makes it easy to share video links, photos and files with the entire team via a simple interface for uploading, organizing, and writing custom titles and captions.

3.8 - “Messages” Tab

You can communicate with your team through this tab. TeamSnap gives you a number of different communicating options including email, team chat, text alerts & message board posts. It is the easiest way to get messages to your team quickly and efficiently.

3.9 - “Manager” Tab

Once your team has selected a team name, this tab is where you can add your team moniker to your ID# so the rest of the association knows what to call you. Don’t be the team known as SP### [Edit Team Name]. The more organized your TeamSnap account is, the better your communication will be with your team.

Section 4: Scheduling and Ice Allocation

Maintaining the team schedule is one of the primary tasks of the Team Manager. Game & practice schedules will be made available to you, but it is your responsibility to add it to your TeamSnap schedule so that your team knows when and where to be.

Game schedules are set by CAHL, and practice ice is scheduled directly to your team by the CMHA Administrator. The Administrator is responsible for allocating ice for all teams. Timelines for delivering practice ice is dependent on the delivery of game schedules by the leagues we participate in, which is outside of CMHA control. CMHA Administrator provides game slots to CAHL for Coaldale Teams only. CMHA does not control other associations' game time slots.

Teams often get impatient waiting for their ice schedule to be released. It is important that team managers have an understanding of the process in order to manage their expectations. Based on the timelines the leagues operate under, it regularly occurs where game and/or practice ice schedules are released with only a few days' notice. This is normal and should be expected. Our Administrator works hard to deliver the schedules as soon as possible. Making inquiries does not make it come any faster.

To briefly explain the ice allocation process:

- Leagues determine the number of teams in each division based on tiering and number of games required.
- Leagues request game ice offers from all member associations. This includes a 30% overage to facilitate schedule making.
- Association Allocators identify and provide appropriate ice slots to each requesting league.
- League schedulers build game schedules
- Draft schedules are provided to Association Allocators to check for errors or required changes
- Changes are made, and finalized game schedules are posted to the league websites.
- League schedulers release unused ice slots back to allocators.
- Allocators load game schedules into their allocation system, then proceed to allocate practice ice.
- Allocators must balance and consider a number of different factors when allocating ice including availability, blackouts, session count, time between sessions, balance of desirable and undesirable ice and divisional requirements.
- Draft practice schedules are sent to Facility Operators and Divisional Directors to check for conflicts and double bookings
- Practice schedules are released to team managers through TeamSnap

At the beginning of a new round of play, during provincial playdowns, and during league playoffs, this ice distribution is not available well in advance. Teams should be aware that all efforts are made to have schedules ready promptly. Your cooperation and patience is essential in the smooth and timely delivery of the ice schedule.

4.1 - Shared Ice

U7/ U9/U11 will receive shared practice times, especially in the younger age divisions and during prime-time hours. This is advised in Long Term Player Development to give players the appropriate number of practice times in a week. Efforts should be made to work cooperatively to best utilize the ice time, and in some divisions a protocol is established for sharing ice. Teams should not use shared practice times for intrasquad scrimmages. **Note that Setting up half-ice boards is not necessary for practices.*

4.2 - No Show and Return Ice Policy

If an ice slot allocated to CMHA by the Town of Coaldale is not used, it is considered “No Show”. CMHA pays for all allocated ice, regardless of whether it is used or not. No-Show ice results in an additional penalty fee that must be paid to the Town.

Should a team not show for a scheduled practice or game and the ice is not used, the **TEAM** will be charged. Ice must be returned **at least 5 days** in advance to avoid a no-show penalty. If permits are applied for in a timely manner then many conflicts can be avoided; however, if a mistake is made in scheduling, the team must notify the Ice Allocator as soon as possible. Every effort must be made to avoid unused ice, so please give notice of any errors or conflicts asap.

4.3 - Inclement Weather Policy

Town of Coaldale will not charge fines if a team is unable to make their assigned ice time due to inclement weather. The Town utilizes AMA road reports and if they feel necessary, will send a bulletin if the no-show policy is lifted. This notice will be communicated to teams as quickly as possible. If the weather turns suddenly, the safety of the families in our community is the first priority so please do not require your players to be on the road if conditions are truly unsafe.

4.4 - Double Booking Process

First and foremost, the rink staff and user groups should be treated with the utmost respect. CMHA will not tolerate any abuse to Town of Coaldale staff and user group volunteers involved with any dispute arising from a double booking of ice.

The following procedures should be followed by teams in the event two different users show up to use the same ice at the same venue:

1. Double check your teams' ice allocation on TeamSnap.
2. Talk to the facility operator to determine which minor ice user group (hockey, figure skating, ringette) is renter of the ice time. If the slot is contracted by CMHA, contact the CMHA Ice Allocator to inform them of the error. If it is not CMHA ice, there may be no recourse other than to go home. Talk to the ice allocator first– it could be a change was made and you are expected at a different rink or different time, or the flood schedule changes were not received in a timely manner. The rink staff can only operate based on the information we provide and the contracts that we hold.

3. If the ice is, in fact, contracted to CMHA, have a team official contact the CMHA administrator immediately for clarification and resolution.
4. In the event the CMHA Ice Allocator is unreachable before a timely decision can be made, the facility will apply following priority list in this order:
 - i. Elite level games (Jr. A, Jr. B, Jr. C, Jr. A Female, Midget AAA, Bantam AAA)
 - ii. Games involving out of town teams (100km away)
 - iii. Provincial or playoff games
 - iv. CAHL scheduled league games & CMHA games (priority is given to distance traveled by the opposing team and length of ice time available).
 - v. Tournament games
 - vi. Scheduled house league games
 - vii. Exhibition house league games
 - viii. Practice. Practice times can almost always be shared in the event of a true double booking.

4.5 - Ice Interruption Procedure

Issues that do not directly and immediately affect safety can be managed in the following manner:

- a. Facility staff first ensure safety for participants and themselves.
- b. Facility staff contact the CMHA Ice Allocator and explain the situation as quickly, reasonably, and safely as possible.
- c. CMHA Ice Allocator, in consultation with facility staff, will determine the plan of action with regards to delayed or canceled ice slots and communicated to directors and teams affected.
- d. Facilities shared between multiple user groups, such as Arena CMHA Ice Allocator will determine game movement, if necessary, for CMHA/CAHL bookings.

Section 5: Parent & Coach Certification

Hockey Alberta requires that each team holds proper certifications to best ensure a positive experience for each athlete. Teams will not be approved by Hockey Alberta until all certification requirements are met. The deadline each year for these certifications to be completed is November 15th. As a manager, you will be asked to track and ensure that all team certifications are completed. The CMHA registrar will contact you if any qualifications are missing.

5.1 - Parent Certifications

One parent per registered participant is required to complete [Respect in Sport - Parent](#). While most parents will have completed this in previous years or before the start of the season, each year we have a number of parents whose certification has expired or was not completed. Teams cannot be finalized until every team member has completed Respect in Sport, so if a person refuses to complete the program, their child will be removed from the team roster. There is a \$30 fee associated with this course, and it is not covered through CMHA

- ***MUST BE COMPLETED BY OCTOBER 10, 2023 or your child will not be allowed to play***

5.2 - Coach Certifications

Coaches in Alberta have access to a wide variety of clinics and training opportunities to help develop their skills as teachers and instructors of players of all ages across the province. Below are the minimum required certifications required for team approval. The CMHA registrar will inform you if your team is missing qualifications. Please ensure your coaches have completed the certifications before the November 15th deadline.

**Note that CMHA will cover the cost of any required coach clinic with the exception of [Respect in Sport - Activity Leader](#). RIS Activity Leader is required for ALL coaches prior to going on the ice.*

ALL Coaches must be on HCR, completed RIS Activity Leader and have a current Criminal Record Check.

Assistant Coaches	Highly recommended to obtain training of what is required for Head Coaches in applicable level
Development 1 & High Performance 1	Coaches must be “ <i>trained</i> ” by November 15 th of current season, by following seasons November 15 th must be “ <i>certified</i> ” to remain eligible. <i>Trained</i> = attended classroom session <i>Certified</i> = passed all post task evaluations

Section 6: Criminal & Intervention Record Checks

All team coaches, assistant coaches, managers, and trainers are required to submit a current RCMP criminal record check (CRC) when they are selected for their position. CMHA requires updating of CRC's on a regular basis, please consult with your Manager Directors on the status of your most current CRC. All volunteers requiring CRC must have them completed and submitted via email to the CMHA Administrator at cmhacobra@gmail.com later than November 15th of the season.

- **CRC's** must be done every 3 years. Letters from CMHA, requesting a CRC can be obtained by contacting your Divisional Director and confirming which volunteers on your team require an updated CRC from the RCMP.

It is expected that all CMHA volunteers do not have a criminal record; however, CMHA realizes that there are possibly extenuating circumstances surrounding all situations. If a volunteer's CRC reports that there may be files in the RCMP system, the process will continue with a review by the CMHA CRC committee. The committee will determine the volunteer's eligibility to perform their duties, and the volunteer must wait for the committee's decision process to be completed prior to stepping into their role.

- **Respect in Sports - Leader** online course <http://ha.respectgroupinc.com>
- **Hockey Canada Safety Program (HCSP)** online course
<http://www.hockeyalberta.ca/coaches/clinic-information/hockey-canada-safety-program/> U7 - one team official per ten players is required to complete the HCSP U9 and higher - one team official per team
- **Coaching Requirements** can be found at
<https://www.hockeyalberta.ca/coaches/coaching-requirements/>

It is the Manager's responsibility to ensure that all coaches fulfill these requirements. The CMHA Registrar will notify managers/coaches with regards to missing records check, coach clinics, etc. but it is recommended that you keep a record/file of completed courses and documents to give to the CMHA Registrar when requested. **Deadline of November 10 for most requirements.**

Section 7: Dressing Rooms and Arenas

7.1 - Coach Supervision

Make sure your coaches are aware that Head coaches and/or team officials must be onsite to supervise teams from arrival to departure. Users should appear no more than 1 hour before the scheduled ice time and will vacate the dressing room within 30 minutes after the ice time is over or when directed to do so by the arena operator. If coaches request players arrive earlier, they **MUST** be supervised by adult team staff members. Players should be supervised at all times. This goes a long way in minimizing dressing room bullying, horseplay, substance use or other inappropriate behavior.

****A lone personnel member should never be in the dressing room with players at any time, and especially when they are showering or changing: two (2) adults should be present together.***

7.2 - Damage

CMHA teams are expected to behave appropriately while at any arena, and to leave dressing rooms tidy. Any damage proven to be caused to dressing rooms or arena facilities caused by a CMHA member is the responsibility of the team. Should a facility contact CMHA that a dressing room/facility has been damaged, CMHA will forward an invoice for cleaning and/or repair directly to the liable team for payment.

7.3- Social Media and Electronics Policy

There should be **NO** photographs taken in dressing rooms. All teams must follow CMHA policy, which states that **NO electronic items are allowed to be in dressing rooms**. Change Rooms are available a minimum of 30 minutes prior to scheduled ice. If coaches request players be there earlier, they **MUST** be supervised by a team staff member.

- Use of electronic devices at sanctioned events for the express purpose of taking, recording, and storing inappropriate images or videos is NOT permitted.
- Use of electronic devices for the purpose of capturing game film for personal or team use shall comply with the policy of the venue. (County of Lethbridge, Town of Coaldale etc.)
- The CMHA Discipline Committee will not entertain receipt of, nor use of video of any nature or source in their review and decision of matters before them.

7.4 - Co-Ed Dressing Room Policy

Female players participating with CMHA U9, U11, U13, U15 and U18 Co-Ed teams will have the option of requesting a female change room. If the facility is unable to provide a separate large dressing room for a female player than an alternative room (ie. referees room, ladies washroom, coaches room, etc.) will be provided as determined by the building operator and in consultation with league or team officials, the player and her parents.

At the U13 level and above, the following conditions will apply in all co-ed team environments:

- Females and males will change in separate rooms
- Both genders shall congregate in one dressing room, fully prepared to participate in the game/practice not more than 15 minutes prior to the scheduled ice time unless otherwise indicated to be there earlier by the coaching staff.
- The lesser represented gender shall depart the dressing room not more than 15 minutes after the game/practice unless otherwise indicated to stay longer by the coaching staff.
- The gender in the majority shall not begin changing – helmets, gloves, and skates excepted – prior to the departure of the lesser represented gender.
- When necessary, due to facility limitations, dressing and showering shall be done in shifts with the gender in the majority dressing and showering first. Once the room with shower facilities have being fully vacated the lesser represented gender may use the shower facilities.

** A BENCH MOM must be available to all female players*

Section 8: Team Equipment

8.1 - Team Jerseys

U7 teams will be provided with Tim Hortons sponsor supplied jerseys and socks. U9 and higher divisions will be supplied with a set of home and away jerseys at the start of the season. The jersey provided represents CMHA and all teams must wear the jerseys for all games. No individual designs are allowed unless approved by the CMHA Board. It is suggested that each team provide a dedicated jersey parent(s) volunteer. Please ensure that they understand the steps for proper care and washing of the jerseys. Jerseys are NOT to go home with players.

CMHA will give you lockers with your jerseys in the lockers. *When assigning jersey numbers assist your coaches with #'s and jersey sizes

8.2 - Name Bars

Name bars for U11 Atomic Jerseys levels are optional at teams expense. Name bars for jerseys in all other divisions are NOT allowed. This risks damage to the jersey. *CMHA does not require parents to pay a jersey deposit.

8.3 - Jersey Repairs

Often at times during the season, a jersey may become cut or damaged. Any damage to a team jersey that happens during the course of gameplay will be covered by CMHA. Teams must inform the Equipment Director of the damage, and with his/her approval, take the jersey to be repaired by an approved CMHA Seamstress.

8.4 - Team Socks

U7 socks provided by the sponsor and coordinate with the jersey colors. For U9 levels and up it's mandated that only CMHA APPROVED GAME SOCKS MAY BE WORN. These will be distributed to each team

8.5 - Goalie Equipment

U9 teams will receive 1 set of equipment. U11 and higher divisions will receive goalie equipment by special request. Contact cmhacobragear@gmail.com. There are also spare sets of goalie equipment stored in the CMHA Equipment room that can be used for practices etc. It is the responsibility of the coaches to return the borrowed items at the end of each practice.

8.6 - First Aid Kits

Note each team must have a first aid kit with them at all times. These Kits are supplied by CMHA.

Section 9: Record Keeping

The Team Manager is the keeper of the Team's personal information. Because one never knows when a specific piece of information is needed, it is a good idea for the Team Manager to create a binder of forms and handouts that can be taken to meetings, games, etc. to keep data easily accessible.

****Remember that some of the information (especially on medical forms) may be of a sensitive nature so these forms need to be kept confidential.***

Documentation will have to be completed following all games as well, and it is a good idea to have extra forms/game sheets/team labels on hand. The team manager will want to become familiar with hockey terminology and acronyms to aid in reading and filling out forms properly.

Suggested documents to include in a binder:

- Roster
- Contact lists
- Forms (game sheets, injury reports)
- Schedules (practices, games and parent volunteers)
- Notices
- Arena information and Emergency Access
- Current financial information (updated team budget)
- Roster Stickers

9.1 - Team Hockey Canada Rosters (Team Hard Cards)

Team hard cards represent the official record of players and team officials for the purposes of registration with Hockey Alberta. Only players and team officials that are "carded" are allowed to go on the bench during games, and be on the ice during practices

IF YOU ARE NOT ON THE HARD CARD YOU CANNOT GO ON THE BENCH OR ICE DURING A GAME OR PRACTICE OR BE IN THE DRESSING ROOM WITHOUT A CARDED OFFICIAL

****NOTE ONLY 3 TEAM STAFF ALLOWED ON BENCH FOR A GAME for U7 and U9.***

****NOTE ONLY 4 TEAM STAFF ALLOWED ON BENCH FOR A GAME for U11 and U13.***

****NOTE ONLY 5 TEAM STAFF ALLOWED ON BENCH FOR A GAME for U15 and U18.***

The CMHA Registrar will prepare the team hard cards for each team with information from the Divisional Director. The hard cards will be sent to the Manager and Coach for proofreading and verification.

Manager will NEED all players and coaches' complete birthdates to verify this.

Once information on the team hard card has been fully verified it will be sent to Hockey Alberta for approval and considered “locked.” If a team hard card has been “locked” no further changes can be made, so it is important to go through all information on the sheet completely. This is a shared and serious responsibility, as any children not properly carded could possibly be deemed ineligible, and any coaches or assistants not properly carded could be suspended.

**Depending on your team situation the manager may be required to be added to the hard card, which requires the manager to complete the Respect In Sport - Leader online course.*

Managers should always have a copy of the official team hard card with barcode at all games, exhibition games, and tournaments.

9.2 - Player Affiliation

U7 Teams

U7 Players are NOT affiliated under any circumstance

CAHL Teams

Player affiliation rules for U9 are not the same as the rest of the divisions.

***U9 affiliation will be unique, please verify with the Division Director.**

During all CAHL games a team requiring affiliates from outside of a team’s division to replace injured / absent players or to increase team numbers at any time during the CAHL season must be approved in advance by the appropriate CAHL Vice President. Some examples:

- U13 Tier 2 affiliating U13 Tier 4 players – no approval required
- U11 Tier 1 affiliating U11 Tier 3 players – no approval required
- Any U13 Tier affiliating U11 players – requires approval
- Any U11 Tier affiliating U9 players – requires approval

All affiliate requests to be submitted to CAHL Governor via affiliate form. One form per player, per game. All managers will be supplied with a link to the form at the beginning of the season. NOTE: All affiliates, whether needing approval or not, must be requested in the aforementioned form.

As per Hockey Alberta Bylaws (pg 42): Current Rules for Affiliation U11 and Higher

- 7.8 Providing affiliation has been properly filed, an affiliated Player may play with the Hockey Team to which the Player is affiliated up to a maximum of ten (10) games, excluding exhibition and tournament games. Should an affiliated Hockey Player play more than **ten (10)** games with the Hockey Team to which the player is affiliated, he shall be considered an

“Ineligible Player”. However, if the player’s registered team completes its regular season and playoffs before the player’s affiliated team, the player may thereafter affiliate an unlimited number of times.

- 7.9 Appearance of a registered Player’s name on the official game report shall be considered participation in the game except in the case of an alternate goalkeeper, in which case actual participation only shall be considered as taking part in the game and such participation shall be specially noted on the official game report.
- **Tracking of affiliated players** – note most directors do not want to be notified if an affiliate is being used unless there is an issue. The manager **MUST** keep a record of all games that the player is affiliated to. If they are nearing the **(10) ten** games, they need to be cautious to not go over that number.
- A Player must obtain a “Named Player Affiliation Agreement” form when selected as a specially affiliated player to a team within the “AA” Hockey Model or Elite Hockey Stream (ADM). Affiliates to Taber AA are coordinated between the AA affiliation director and the CMHA President. The first step is the Taber AA to submit their requested affiliates list to the Administrator. The Administrator and President will in turn email a letter of interest to all available affiliates. If they choose to affiliate to the kings then further details will be emailed to them. If they do not wish to affiliate, they need to notify the Administrator.
- Players affiliated from a non-body checking team to a body checking team require an CMHA Affiliation Waiver filled out **BEFORE** they are permitted to participate with the affiliate team. Individuals affected by this will be contacted by the Administrator to complete paperwork.
- **Player Eligibility Requirements** – Teams cannot dress more players than have been carded. This means that affiliated players cannot be used when all of your team is eligible to play. Affiliate players can only be used due to injuries, sickness, or any other reason deemed acceptable by the Division Director or Executive. An exception to this rule is provincial playdowns and championships where a team can dress 17 skaters and 2 goalies.

Procedure for Using an Affiliated Player – The following procedure should be followed when a team wishes to use an affiliated player for a practice or game:

- The head coach or team manager is required to call/email the affiliated player’s head coach to ensure there is not a conflict and to ask permission to contact the player. The affiliated player is not expected to miss a scheduled game with their team, however missing a practice is acceptable.
- If there is no conflict, the requesting team may contact the player and invite him or her to attend the ice time.
- All affiliate requests are to be submitted to CAHL via affiliate form. One form per player, per game. All managers will be supplied with a link to the form at the beginning of the season.

NOTE: All affiliates, whether needing approval or not, must be requested in the aforementioned form.

Coaches should consider relevant factors such as whether both games are of equal importance, or whether one team is significantly short of players. If there are extenuating circumstances that would weigh on the decision, the Divisional Director may be consulted for guidance; however, the choice to decline to participate with the higher team continues to rest with the player.

9.3 - Contact Lists

Parents' Contact / Volunteer List - having the parent contact list and team volunteer list can aid the Team Manager during disputes by acting as an outline for where responsibilities lie. Distribution of the list at the beginning of the season allows it to be used by other team members to contact the proper party with questions or ideas, without first having to direct everything through the Team Manager.

Team Contact List - the team contact list can be distributed at the beginning of the season or teams may decide to just use **TeamSnap**.

Association Contact List - see CMHA Contact List page 2

9.4 - Medical Information

Each player/parent should have filled out a medical information sheet while registering. It is important for the designated Safety Person to be aware of player medication, conditions, injuries, and to keep coaches regularly updated. Having the medical sheets close can provide important information in the case of an emergency, as well as provide contact information for family physicians and emergency contacts when the parents are unavailable. This information is stored on TeamSnap

9.5 - Accident and Insurance Reports

Please refer to CMHA Safety Manual for detailed description of how to handle medical events including injuries, where to locate AED, Emergency Action Plan and Concussion Protocol. **(Appendix 6: CMHA Safety Manual)**

[CMHA Safety Manual](#)

*In the case of an incident/injury a report must be submitted immediately following the incident/injury to the Divisional Director, Safety Director as well as Hockey Alberta (must be received within 90 days of the date of the accident). **(Appendix 7: Hockey Canada Insurance) (Appendix 8: Injury Report - Hockey AB)**

** All costs associated with Doctor's Notes, Insurance, etc are the responsibility of the parent and not CMHA*

9.6 - Referees

League Games - booking of referees for regularly scheduled games (including playoffs) is handled by CMHA referee assignor.

****If you have swapped or rescheduled a game you must remind your director to inform the referee assignor for your division.***

No Show Referees - if there are no show referees coaches or a player from both teams are expected to referee

**** A good rule of thumb is to check the referee room 20 minutes prior to game start at all home games. If no referees are present, then you should phone your director to alert them so that substitutes can be arranged by the assigner if possible***

Payment of Referees - CMHA will pay for referee costs for all tiering, league, playoff and tournament games. Exhibition games booked by the team are responsible to pay the referees for that game. An Invoice will be sent to you by CMHA .

[Officiating Rates | Hockey Alberta | Officials Committee](#)

Exhibition Games - it is the team's responsibility to reach out to the referee assignor and CMHA administrator to book referee's for their exhibition game.

9.7 - Game Sheets

U7- NO gamesheets required

U9- Electronic Game Sheets Fill out the score sheet (roster etc.) – *ELECTRONIC SCORE SHEET, PENDING IMPLEMENTATION, TRAINING WILL BE PROVIDED TO EACH MANAGER.*

U11 - U18 - CAHL Scorebooks are provided to each team **(Appendix 10: Sample Game Sheet/Penalty Abbreviations CAHL)**

9.8 - Game Organization

Side A (Closest to Lobby) will be responsible for selling 50/50

- 50% goes to the winner, 25% goes to Side A Home Team and 25% goes to Side B Home Team

- If a player is ejected from the game you must ensure that you receive the referee Incident Game Report and notify your Divisional Director immediately. You will be notified of any game suspensions.

9.9 - Scorekeeping

Correctly filling out the score sheet while in the time-keepers box is essential to being able to correctly fill out the necessary items on the back end of the Hockey Edmonton website. Please ensure that you are knowledgeable about scorekeeping so that they can assist the parents on their team who will be tasked with that position.

Please note parents should not engage with the referees unless it is related to game scorekeeping. Timekeepers and scorekeepers are encouraged to speak to referees to ensure their intent of a call/penalty is correct. They should not "GUESS" the penalty being called but seek clarification.

Example: Is the penalty a 2-minute minor or a 5 minute major plus a game misconduct?

It is the scorekeeper's responsibility to ensure accurate game information is recorded on the game sheet for entering in the CAHL site by the team manager. Referees must print and sign their names on the game sheet following the game. **(Appendix 10: Sample Scoresheet/ Penalty Abbreviations CAHL)**

9.10 - Suspensions

All suspendable infractions must be reported to the CMHA Divisional Director and your CMHA CAHL Director. Copies of the game sheet and/or referee report must be forwarded via fax or email to the directors within 24 hours of the suspension.

Regulations Regarding Suspensions – Hockey Alberta Zone 5 Discipline

Coordinator hands out suspensions for all pre-season, exhibition, provincial, and tournament games. CMHA Division Directors enforce suspensions for CMHA league play, and CAHL Division directors enforce suspensions for teams participating in the CAHL League. Hockey Alberta has minimum mandatory suspensions for certain penalties.

Sitting Out Suspensions – when a player or coach has been given a suspension, they will be notified the number of games they must sit out. They will also be notified what type of game qualifies for serving the suspension. In most cases, exhibition games do not count towards serving a suspension; however, the player may not participate in ANY game, exhibition or otherwise, until the suspension is served. The player or coach must be listed on the game sheet of any game played until the suspension is served, and must have “Suspended” listed beside his or her name to prove that the game was sat out. Copies of the game sheets must be forwarded to the Divisional and CAHL Director.

Depending on the severity and nature of an infraction, a player or coach may be subject to further discipline by CMHA. Details and guidelines for additional action may be found in CMHA's Integrity, Conduct, and Ethics (I.C.E.) Any incidents will be brought forth to the CMHA board and the disciplinary committee.

NOTE:

- **NO SUSPENDED PLAYER OR TEAM OFFICIAL IS ALLOWED IN THE TIMEKEEPERS/PENALTY BOX, DRESSING ROOM, ON OR WITHIN 50 FEET OF THE PLAYERS BENCH DURING THE GAME (Hockey Alberta Regulation).**
- If you have not received notification of the suspension and you have a game, **DO NOT ALLOW THE PLAYER TO PARTICIPATE UNTIL THEIR SUSPENSION HAS BEEN CONFIRMED. IF THEY PARTICIPATE IN GAMEPLAY WHILE SUSPENDED, THE COACH WILL FACE AN INDEFINITE SUSPENSION.**
- Suspended players **CANNOT** be replaced with an affiliate player or another player from their team in an oversized team situation.

If your team is eligible to participate in provincials, you will be contacted directly by the CMHA Administrator.

Section 13: Permits

Travel Permits are for team events or functions that fall outside of those assigned directly by CMHA. Each age division has a limit to the number of events and permits that a team is allowed per season. This is to ensure that Long Term Player Development guidelines are adhered to, and that unreasonable expectations are not placed upon participants or their families. The Division Director will discuss these limits with coaches at the coach meeting, and exceptions to these limits will only be allowed at the discretion of the Division Director.

**Reach out to cmhafundraiser@gmail.com for Ideas and other information including AGLC Licenses, when it comes to extra Fundraising for your team.*

14.3 - Team Raffles (depending on which fundraising option we go with)– . Teams may choose to conduct a separate raffle as part of their fundraising strategy. Application form must be filled out and submitted to the cmhafundraiser@gmail.com for CMHA Board Approval . (Appendix 12: Fundraiser Application)

Any raffles or gaming events must be conducted according to CMHA and AGLC requirements and guidelines. It is expected that team officials are aware of all AGLC guidelines and any teams operating gaming events contrary to these guidelines may be disciplined.

Section 15: Miscellaneous

15.1 - Team Pictures

Teams in all divisions will be scheduled for photos at the studio selected by the Executive for the season. On the date that team pictures are set, every effort should be made to attend the appointment. If a team is not available for their scheduled time, then it is the responsibility of the team officials to arrange for an alternative time.

15.2 - Apparel

Each team is responsible to purchase their own team apparel if they choose too. Teams are allowed to contact local companies and businesses to find a team sponsor. Teams are allowed to go through any local company or business to order team apparel.

In addition Public Image will be running an online store this season that will be open October 5, 2023 and close October 22, 2023.

<https://publicimageco.ca/>

Teams are to ensure they follow the CMHA logo Policy when ordering any apparel. (**Appendix 12: CMHA Logo Policy**)

15.3 - Coach Evaluations

CMHA uses the coach evaluation process for selecting and training coaches for future seasons. Typically, CMHA will design a coach evaluation form for each division and that Division Director will forward the forms and process to team officials for parents and possibly players to complete.

Constructive and positive feedback will help to ensure that coaches are given valuable information to improve their coaching skills and continue to have successful, productive seasons. The goal is to improve coaching, and further to improve the program overall by supporting volunteers. Evaluation forms are not an appropriate venue for resolving conflict.

15.5 - CMHA Player Driving Policy

CMHA Players who are 16 years and older are able to drive themselves ONLY to practice and games that are considered home. (Coaldale) If Coaldale and Picture Butte have merged then this would include Picture Butte as well.

Players are NOT PERMITTED to transport another player at any time regardless where game or practice is. This will void Hockey Canada Insurance.

Players are NOT PERMITTED to drive themselves to AWAY games ever. If a player is injured during away games they need to be able to get home safely.
